East Stanislaus and Valley Oak students and families. This year has started out great. The kids have transitioned back into the school year and are progressing well. We look forward to a successful and productive school year. Read further for some great events coming up.

## Data Confirmation:

Thank you to those parents who did the online data or filled out a packet. Next week if you did not send in a signed emergency card, I will be sending them home with your students. If you could sign them and get them back to me as soon as possible I would greatly appreciate it. Make sure to look it over and see that everything is correct. Thank you.

## ADDRESS CHANGES

Oakdale Lions Club comes out to East Stanislaus High School every year on the Friday before Thanksgiving break and puts on a Thanksgiving feast for our kids. It is a fun event and we enjoy having them here and getting to have a chance to sit with our kids and share a meal.
