### *Western Association of Schools and Colleges (WASC) Accreditation*

This year we will be having our WASC accreditation visit on March 20<sup>th</sup> through the 22<sup>nd</sup>. This is an important event for East Stanislaus High School because it makes sure we are providing a high quality of education for our students. A committee of 2-3 people will be on campus conducting meetings and gathering data. We will need a group of Parents and Students to help us out by meeting with them to answer some questions.

Alternative Opportunities: If your student does not complete the requirements to graduate from East Stanislaus or Valley Oak there are great alternatives available to make sure they receive a diploma.
